

# THREE WAYS TO FLEX. ONE WAY TO SHINE.

*Three profiles. One next-generation border tube solution.*

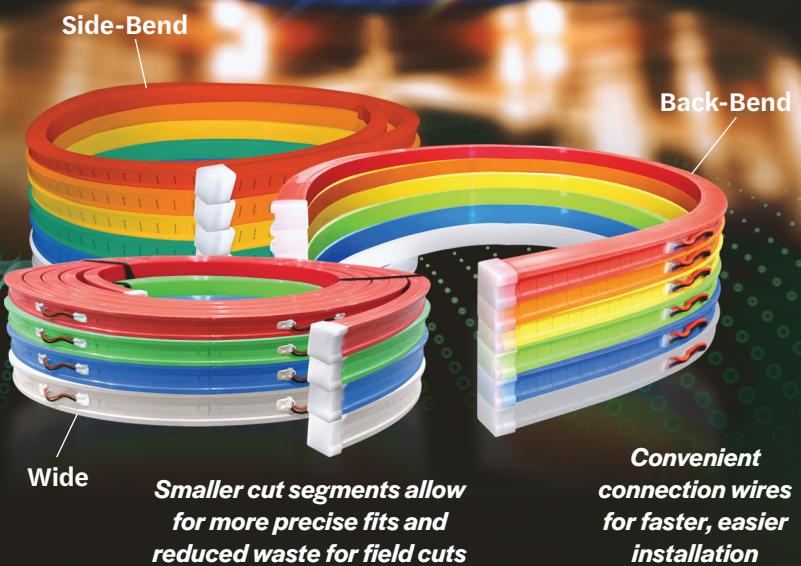

FlexiBRITE Gen 2 is built on what works and refined for today's signage demands by combining Street Wrap™ and FlexiBRITE™ products into a single, streamlined family offering greater versatility.

Engineered for more precise fits, reduced waste for field cuts, and easier installs,

FlexiBRITE Gen 2 is a smarter way to outline, accent, and elevate every sign.

Visit our [Product Update](#) for a summary of what you need to know, including product transitions, what's changed, timelines, and more!
