FROM SHADOWY TO SHOW STOPPING

ILLUMIWRAP 24 VDC

Downlight illumination system for buildings and signs

You only get one chance to make a first impression and a building's façade is the first thing people see. Architectural illumination from **Principal Sloan** can transform any structure into a welcoming space that attracts visitors and gives them a sense of safety, resulting in more foot traffic after dark and a higher return on investment!

- Adds drama to any building and highlights architectural details
- Creates an inviting well-lit space where potential customers feel safe – resulting in higher foot traffic after dark
- Designed for seamless continuous row mounting on buildings or signs
- UL Listed Wet Location, UL48 outline lighting for signage
