Part number

B-QBSS1A-06012-EC..... **Qwik Box Slim 60 W Energizer Series (12 VDC)**
Single-sized, single power supply

B-QBSS1A-06024-EC..... **Qwik Box Slim 60 W Energizer Series (24 VDC)**
Single-sized, single power supply

B-QBSS1A-09624-HE..... **Qwik Box Slim 96 W HE (24 VDC)**
Single power supply

Double Qwik Box

Dimensions L x W x H

Dimensions with Lid 13.986" x 10.986" x 3.298"

Inside 12.851" x 10.125" x 2.500"

Part number

B-QBSD1A-06012-EC..... **Qwik Box Slim 60 W Energizer Series (12 VDC)**
Double-sized, single power supply

B-QBSD1A-06024-EC..... **Qwik Box Slim 60 W Energizer Series (24 VDC)**
Double-sized, single power supply

B-QBSD2A-12024-EC..... **Qwik Box Slim 60 W Energizer Series (24 VDC)**
Double-sized, dual power supplies

B-QBSD2A-12012-EC..... **Qwik Box Slim 120 W Energizer Series (12 VDC)**
Double-sized, dual power supplies

B-QBSD2A-18012-HC..... **Qwik Box Slim 180 W HE (12 VDC)**
Double-sized, 60 & 120 W HE power supplies

B-QBSD2A-19224-HE **Qwik Box Slim 192 W HE (24 VDC)**
Double-sized, dual 96 W power supplies

B-QBSD2A-24012-HE..... **Qwik Box Slim 240 W HE (12 VDC)**
Double-sized, dual 120 W HE power supplies

B-QBSD1A-30024-HE..... **Qwik Box Slim 300 W HE (24 VDC)**
Double-sized, single power supply

QWIK BOX SLIM

Pre-wired power supply enclosure boxes

Power Supplies

All of our UL/cUL Class 2 power supplies work with our **Qwik Box** system. All are fully encapsulated, IP67-rated, 100% full-load burn-in tested, dry or damp locations rated, and have a -22° F to 140° F operating temperature. These universal models run from 120 VAC up to 277 VAC and feature over-current protection.

HIGH EFFICIENCY 96W: P-OH096-24-HE

- Power factor corrected
- 24 V power supply
- Metal casing
