*NOTE: This product is rigid and will only work on straight and flush surfaces. It will not be able to be used on a curved surface of any kind. To ensure the necessary quantities are ordered, do not divide the total perimeter (in feet) by 8; this will likely result in a shortage during installation. For assistance on how to correctly calculate the quantities needed, please reach out to our customer service or layout department at (325) 227-4577 or submit your question via email to [info@p-led.com](mailto:info@p-led.com)*
