

**SYMPHONY**  
SERIES

**High efficacy LEDs save energy and lower total cost of ownership for fast ROI (less than 24 months)\***

\* Compared to 400W metal halide bulbs.

**Aluminum housing provides excellent durability.**

# SET THE STAGE FOR BRILLIANCE

Featuring advanced optical designs to accommodate billboards of all sizes, the Symphony Billboard Light delivers superior lumen output for a vivid, even spread of illumination that ensures every detail pops, day or night. The Symphony's lightweight aluminum housing makes it a durable choice for any environment, while its easy-to-mount design ensures seamless installation. Ideal for advertisers and venues aiming to captivate audiences, Symphony Billboard Light is the perfect fusion of form and function, lighting up every message with exceptional clarity and style.

**Modern lightweight design**
